ESTATE WINERY

## About Frind Estate Winery

Established in 2017 with the purchase of the historic Bennett property in West Kelowna, Frind Estate Winery blends agriculture with technological opportunity. Markus Frind's family has a farming history spanning 500 years, both in Germany and northern BC. After the successful sale of plentyoffish.com, Markus is focusing his efforts on pairing technology with agriculture to produce terroir-driven British Columbia wines of exceptional quality.
